1. **Previous Minutes**

The minutes of the previous Committee Meeting, held on 15th April 2021 via Zoom, were agreed with one matter arising.

2. **Matters arising**

Hippo queried the date listed as the date of the previous meeting's minutes. Damp Patch confirmed that this date had been amended before the minutes were issued.

3. **Relaxation of Covid Restrictions on Monday 17th May 2021**

The relaxation would affect NH4 from Sunday 23rd May 2021. It was agreed that:

30 people will be able to meet outside for a Hash (if numbers are above 30 we can naturally separate into runners and walkers).

Summer runs will start at 18.00hrs from 23rd May (unless an event has been arranged eg a BBQ), with winter runs starting at 11.00hrs.

The current booking process will cease after the run on 16th May.

The circle and down downs will be reinstated on 23rd May, with all participants complying with the 2 metre social distancing rule. No Entry confirmed that mugs will only be used once and will then be washed after use, however if people have any concerns regarding this, they can take their own mugs.

4. **AO B**

Seis Matters asked if the Swanage weekend would happen this year. JGG suggested we wait until after 21st June to make a decision but commented that a BBQ later in the year might be an option. Damp Patch noted that Tower Lodge is currently up for sale.

It was suggested that, until a further relaxation of covid restrictions (not before 21st June 2021) hares should not be under any pressure to find a pub after the run. JGG advised that the NH4 bank balance is healthy, with 34 paid up members and suggested that hares could provide alcohol, instead of visiting a pub and costs would be reimbursed by the Hash (small print to limit expense??).

Shrinky Dink said that he would hare the run on 23rd May, from his house and invite everyone back afterwards to use the hot tub. SD would provide a BBQ but individuals should bring their own meat and drinks.
