3. No Entry reported on the survey which all NH4 members were encouraged to participate in. The results were as follows:

*What time should we use until restrictions lift:*

a) 11:00 = 18

b) 18:00 = 10

c) don't care = 4

*What base time should we use after restrictions lift*

a) 11:00 (winter) & 18:00 (summer) = 20

b) 11:00 all year = 9

c) something else = 1 (this was 16:00)

d) don't care = 1

*Should we change the gap intervals*

a) No. Leave as 10 minutes = 17

b) Yes, Change walkers to 5 minutes = 15

4. It was therefore decided that Hash start times would remain at 11.00am until covid restrictions are lifted.

5. It was agreed that the gap between start times would remain at 10 minutes between groups, however with each running group being followed by a walking group to reduce the number of people waiting around. No Entry agreed to amend the weekly run booking spreadsheet accordingly

6. AOB Yellow Peril asked that these minutes be circulated via email to the NH4 Google Groups email. No Entry confirmed that the Minutes would be added to the website and the Facebook page.
